The Lady:

Picked Natasha cause she was best looking girl around at the time and she seemed very friendly

The Story:

Nice massage room and she offered the usual massage options she got going on the massage and that sorted out JT so I turned over and got on with a great bj after that things happened in the usual manner including a good long doggy and then mish to finish off with. She was chatty and friendly throughout and delivered a good service. Lots of girls to choose from so will be back to try out some others.
