The Story:

I entered the establishment via the back door. I met the receptionist who said there were two girls free. Lucy and Kelly, again I was a little dissappointed that not one of them looked up to say 'Hello' each one was deeply involved with their magazine. Who do I choose ? I 'umm'ed and 'ar'ed and for some reason I was drawn towards Kelly. Anyway as soon as I had chosen she looked up and acknowledged me and said 'I'll see you in a minute'. I was told to go to a particular numbered room. There I changed and waited in anticipation. It was one of the basic massage rooms. She arrived and she quickly put me at ease. I chose talc and told her I need some TLC. She stripped totally naked and revealed the most perfect pair of tits I've ever seen and a nice fully shave pussy. She proceeded to give a gentle massage slowly rubbing herself on me together with some moaning noises. This went on for several minutes accumululating in her lying on my back brushing her long hair along my shoulders, very sexy. The pressure of her on my back was truly turning me on and I was in danger of coming. She quickly got off and I turned over. She then once again climbed on = board proceeded to fill my face with her magnificent bossoms. I sucked and licked her nipples as she moaned and groaned once more. At this point I did get the feeling that she was putting it on, but what the fuck. Then she surprised me with a full on wide mouthed hot kiss. Now, that just did it for me. This was turning into a genuine GFE. Oh how I wished we were on something more comfortable. I said can I give you an oral she said she'd love an oral and promptly assumed the position. I went down on her pussy, it was clean and tasted sweet. I greedily licked her and this time I don't think she was faking it. After I had my fill she quickly slipped a condom on me with her mouth and started to suck my cock hard. I could feel I was nearly coming and so I told her to stop. She ordered me back onto the bench where she rode me 'cowgirl' style untill I gushed inside her. She got off and asked 'Was that alright' ? ALRIGHT !!! I said, 'It was BLOOMING FANTASTIC!!!'
