The Premises:

Clean and tidy flat. In central london. Felt safe. Found it a bit difficult to find due to the incorrect sms address details that were given.

The Lady:

Beautiful. Exactly like her pictures on the website.

The Story:

To be honest i visited this girl sometime ago so i'm not exactly sure of the day or month, and i've been meaning to write this report for sometime.

Let me start by saying she looks exactly like her pics on the site. Nice, slim and sexy. She was wearing a short black skirt and white blouse. She got me a drink and we chatted for a while. Feeling horny i pulled her on my lap and we started kissing. I stripped her and we shagged in a rush, she was nice and tight. She offered to give me a blow job and who was i to refuse!

Was meaning to go to round 2 but we got talking and she gave me a ok massage and so time flew by.

Overall it was a good punt. And unlike a lot of false descriptions she really is a student and is quite new to the escorting scene. I do recommend her and will see again.
