The Premises:

clean top floor flat near station with entry system. felt safe once inside. shares flat with another girl.

The Lady:

taller and bigger than pics suggest. she must be about 5'10 and a size 10/12 with enhanced tits. not really pretty to be honest (sorry!).

The Story:

a mixed session. positives: very enthusiastic kissing and real moans and groans. gets very wet. negatives: speaks very little english. claims to be from brazil but when i asked her to say something she struggled. (from ee more like). needed to told what to do. (my pet hate). no idea of how to please a man. she didnt want to go do certain positions. no owo and so on...

if you are a person who likes to lead and direct and into the kissing thing then maybe she is for you but only if u speak russian.

me im still looking for a good sexy real latin chick like the superb gabrielle of bayswater when she used to be 130 or 160 tops (cant pay 200 for any girl) or isabella who has gone.

if any one knows a curvy tanned real brazilian girl who is good at 150 please let me know!
