The Premises:

Entrance on the main street but not kept too long waiting. Clean place.

The Lady:

Lovely blond from East Europe with a sexy accent. Seemed a bit shy/nervous but maybe it was just my imagination.

The Story:

Started off with the house special (assisted shower). Well worth going for this. Spent ages rubbing shower foam on each other. I would have been happy spending all my time in there. On to the bed room for a bout of pussy licking. For a show, she masturbated while I watched/fingered her until she came. Huge swollen clit at the end of it! Then she started me off on a blow job and finished off doggy style. Afterwards, spent some time just chatting.

I am suprised this girl has not had many reviews and I hope to make up for it here. Well worth a visit.
