The Premises:

It was in a very swanky two bed apartment just a short 5 min walk from Earls Court tube station, very easy to find and in a very nice area.

The Lady:

Kaylee is a gorgeous , slim (yet curvy) brunette,probably in her late 20's who is so bubbly she should be bottled & corked !! Her sense of humour is fantastic and she makes it a pleasure to part with my hard earned ?120.Plus her gushing party-piece is worth the money alone. Crystal is a Christina Aguilera look-a-like with long blonde extensions, only this stunner is far more dirty!!,(guys if you've ever fantasied over fucking Christina come and shaft Crystal).She looks about 19 or 20 and is very petite and innocent looking.

The Story:

I have already had the pleasure of fucking both Kaylee & Crystal at another party so when I heard that Kaylee was running them herself, I took the chance to check them out,(knowing that Crystal was working this one), and I would recomend Sacred Rose parties to anyone. Kaylee is the perfect party hostess and knows exactly what men want. the apartment was superb although Kaylee mentioned that she is hoping to get a regular even better flat,my valubales were locked away by a couple of nice polite chaps (something other parties don't offer). There was another pretty blonde girl working (sorry I didn't catch her name, or sample her delights as I was too busy fucking Crystal and then later, Kaylee). There was a nice guy/girl ratio and it was a very relaxed atmosphere.On this performance I think Sacred Rose is on to a winner!!
