The Story:

I met with 4 girls and was a little spoilt for choice. I plumped for Sally as she seemed so friendly.

I was shown to the room upstairs and paid ?40 to the maid. Sally joined me after about 5 minutes and made clear her intentions as she got sraight down to business.

My first impressions lasted as Sally was friendly throughout and was energetic in her work. A nice back massage and then turn over for Sally to offer some extras, which were not cheap, so I declined.

Sally really used her body against mine and really turned me on as we were very intimate. Some kissing and licking were followed by some covered oral. She was experienced and knew exactly when to switch me on and off. Sally sat astride and rode me expertly until we changed to missionary for me take over. She was quite tight and enjoying herself until I came.

Sally gave me a towel to shower and we had a little chat about our lives. Sadly my time was up and I was left alone to sort myself out. I gave Sally an extra ?10 and I felt I had excellent value for money.

It has been a long time since I was last in Bunnies (it used to be Manhattans) and I stopped visiting because the place became a bit of "take your money and run" parlour. I am happy to say this is no longer the case. However, it could do with some updating - broken chairs, peeling wallpaper and musty smelling linen to nothing for me.

For me Bunnies is back! (The decor unfortunately is back in the dark ages)
