The Premises:

Converted flat off Harrow Road. Safe & clean but not really suitable for an escort's base. Diana was already concerned about her downstairs neighbours after having only recently moved in.

The Lady:

Extremely attractive girl - a bit Kylie-ish. Slim but curvy, lovely perky breasts, narrow waist, rounded hips, a great bum and long legs. She is friendly, sweet and has enough English to chat with.

The Story:

Lead straight to the bedroom and offered a glass of wine. We chatted for a bit. She seemed suprised to hear that she came from Poland (per the agency details), her recollection was Belorussia and of German/Russian parentage. The other details were correct though. A bit of kissing and cuddling followed then off with our clothes and onto the bed for some action.

The highlight of the afternoon was her oral. She is an expert, giving thorough and expert attention to balls and the underside ridge as well as the glans. She had me was writhing and groaning in pleasure long before my ejaculation. I normally cum in seconds the first time but Diana somehow prolonged the sweet torture for what seemed like 10-15 minutes. When I eventually came she took in in her mouth and spat into a tissue. Though not taking me as deep in her mouth as some girls have done (and I would have preferred) this BJ was one of the best.

A gorgeous, sweet lady with way above-average abilities.
