The Premises:

smart top floor flat with entry system through gate. shares with another girl. room suitable for job.

The Lady:

as in pics but taller in person than they suggest and slightly more weight. not a great looker and body is ok.

The Story:

keepin this short and sweet. inexperienced or just lazy. have to lead and direct which i dont like. on plus she kisses passionately and softly bites your body when u hit right spot. but overall not worth the money
