The Premises:

Excellent flat in a very smart street 5 mins walk from Gloucester Road tube.

The Lady:

A beautiful girl from Latvia. Exactly what you see on the web, but what the pics don?t show is a young woman who is totally confident in her own firm body and loves to fuck.

The Story:

Usual arrival being hot and bothered after the joys of the Underground so she offered a shower. One great pleasure is having showers with beautiful young women (thanks to the lovely Debbie of Anerley for teaching me that one), but for a lot of the less-inspired WGs who work to a standard formula, this is not acceptable. Not the lovely Nicole when I suggested she join me ? underwear hit the floor within seconds and she was in there with me and enjoying herself utterly, soaping and being soaped.

Up the stairs to the bedroom and we spent a lot of time with my tongue pleasuring her succulent and sweet sex ? it certainly seemed like pleasure as she hurled herself around the bed as ripples of orgasm went across her very fit stomach. Beautiful BBBJ from a very talented mouth eventually followed, and then on with the condom and the most excellent fucking followed as she stood bent over the bed ? alternating slowly with frantic then back to stationary with a firm grip from her divine sex. This went on and on until the old fellow could stand it no longer, excellent deep pumping inside her and my knees buckled !!

She speaks excellent English, is witty, very fit and LOVES sex ? definitely one of the stars on the scene, at least for this summer until she goes home. Go and get some is my advice ? only her gorgeous namesake at Scandalbabes gives and receives with as much enthusiasm.
