The Story:

Amie was quick to put me at ease for my first visit to her. After a general chat we got closer and started kissing. This quickly developed into full on french kissing and cuddling at which point we adjourned to the bedroom to continue. Thereafter Amie took me to heaven and back several times as her tongue roamed all over my body. I then returned the compliment, giving her a good tonguing which brought her noisily to a climax, or two. Amie continued to work away with her tongue her OWO being superb. Eventually, we indulged in A, which was slow and gentle but extremely satisfying. After cumming, Amie gave me a chance to rest by giving a very sensuous massage. After about 10 mins Amie had succeeded in arousing the old fella, so she then climbed on and rode "cow-girl" for several minutes all the time kissing and cuddling until I came a second time. Have had a smile on my face ever since. What a superb way to pass a Monday. Many thanks Amie. I can't wait to visit again
