The Story:

On my way North, stopped to buy a local paper and saw Gina's advert. Decided to give her a ring and I'm really glad I did. She met me at the door wearing a tight short dress and no knickers. Before she even asked for the money she was kissing me passionately and pushing her tongue right down my throat.

The financial details out of the way, she opened my trousers and started to give me the most fantastic OWO. I asked her to stop after a bit because I didn't want to cum too soon and I went down on her to return the compliment. Then she put on the condom for a bit of mish. After that she used her mouth and hand to get me stiff again and we finished off with doggie.

Gina is intelligent, with a good sense of humour as well as being a really horny lady. An excellent break to a journey. Beats a cup of tea in the services any day!
