The Premises:

Very clean and tidy 1st floor apartment in quiet respectable residential block at end of road, with ample parking. Sacha gave clear instructions and the apartment was easy to find. Felt completely safe.

The Lady:

Sacha was more beautiful than I imagined from her 'blanked face' pics on her website. All over tanned, early 30's I'd say, (a gentleman doesn't ask age), shoulder length blonde high-lighted hair, and a body to die for!

The Story:

I was a little nervous as this was my 1st visit to an escort. Sacha answered the door dressed immaculately, and with a pleasant welcome, led me into the sitting room, offering me a refreshing cool glass of wine. She then snuggled up close to me on the sofa, putting me completely at ease, and enquired about my preferences. She then led me to her bedroom, where we started to hug and kiss with Sacha's tongue delicately flicking over mine. Then after sorting the fee, Sacha gradually undressed me, kissing my body along the way. She then undressed herself exposing her firm breasts with erect nipples, and shaven pussy. She invited me onto the bed where she offered a tender caressing massage with oil. Her touch was gentle, especially around my balls. Her gorgeous breasts brushed all over my body, followed by some delicate OWO. Then on went the johnny, with Sacha riding me on top. Sacha then asked me to do her doggie-style, which with the view in the mirror soon had me shooting my load. Sacha then removed the johnny, cleaned me up, and we cuddled on the bed having a pleasant chat. As my time was nearly up, Sacha offered me a shower in her spotless shower room. We then kissed goodbye, and I left feeling great. All the time Sacha was pleasant, friendly, and made sure I was enjoying myself.
