### The Premises:

Basement flat, felt safe, very clean, next to tube, choice of two bedrooms. As I rang the doorbell, I was greeted by a friendly maid who showed me to the room and offered me a drink. I was amazed at choice of uniforms available.

### The Lady:

Slim, long blonde hair, blue eyes, looks 26, busty. Looks much better than her photos.

### The Story:

Sasha was very friendly and I felt very comfortable in her company. I opted for tie and tease and a pvc uniform. She returned shortly wearing it...WOW... She tied me to the cross and teased me with her lips, hands, boobs, etc...once she decided I had enough, she untied me and let me touch her all over. She gave me an amazing BJ and let me do oral on her. We ended up having sex in various positions.

You can tell that this girl enjoys her work. After we finished, we talked for a bit and she offered me another drink, and trust me, I sooo needed it. I left very happy and can not wait to return and see her again. Only next time I'm booking an hour.
