The Lady:

Tall slim beauty, 20's, with long dark hair. Beautiful body with small firm breasts, long nipples and shaved pubic region.

The Story:

Opened the door wearing white basque, white stockings and G string. Started with intimate kissing then down to those beautiful nipples and after a while gave her shaven pussy the attention it deserved which she enjoyed. Moved with her over my face and brought her to a shuddering climax then we turned to 69 and she gave me superb owo. Time to slip on the condom and Nadia rode me to climax in Cowgirl position. After a few minutes of kissing and cuddling we went back to 69 where she soon had me hard again and she had another climax. On with a second condom for reverse cowgirl, mish and then cowgirl finale. Excellent punt, true gfe and a must to see gain.
