### The Premises:

VH- Simply The Best. It was fairly busy when I visited, yet still the same very high standard one has come to expect from this establishment.

One thing that has not been mentioned before, is the fact that there is a cash machine some 40 yards from the door.

Just one small constructive criticism; the ladies photo's on the site do not do anything like justice, to the bevy of gorgeous girls who perform their "art" at this location.

### The Lady:

If you are looking to spend a period of time with an Asian Angel who will put you at ease the moment you meet her, then take you to a sexual heaven, then look no further, you have found her!

### The Story:

In my last report (PR42741) I stated that it was my intention to see every lady that works at VH, yet I chose to have a "return match" with Nikita (PR 42875)- I make some good decisions at VH - Nikita was busy when I arrived, had to wait a while, but worth it.

Once inside the room it was as if we were long lost friends. As you are being massaged, Nikita switches from friendly chat to sensual whisperings & back again, with such ease.

As far as the main event is concerned, I followed my own advice(seePR42875) & boy was I rewarded. This lady really does respond to oral!

Nikita not only knows exactly how to pleasure a man, she seems to enjoy the whole experience. If she did not have an orgasm whilst I was "doing my bit" orally, then Nikita, you deserve an oscar.

To list what happened in the half hour would take far too long to write here, however I will say that the most incredible "oral" both ways, & sex in numerous positions, was topped with a mind blowing orgasm.

This was fantastic sex with a friendly fun loving lady.

Oh & gents, this is a class establishment, please treat all the ladies & staff with respect, they not only deserve it, you will receive far more by doing so.

Would I return? - You all know the answer to that - I would be curious to see reports on Laura if you have seen her recently.

To all at Victoria House "Keep up the good work, & thank you".
