The Premises:

Flat in a very ordinary street of terraced houses , no problems coming or going .Very nice inside , clean and bright .

The Lady:

Carmen is quite new to the scene and I think she is gorgeous , I just go nuts for curvy Latinos mainly because of their amazing bottoms and Carmen has that heavenly shape but is at the same time so petite and pretty , she is Brazilian but has the demeanour of the girl next door , she is warm and friendly and giggly and speaks perfect English !She was dressed in a full figure hugging completely transparent body suit with high heels and oh to watch that bum leading me to the bedroom with it's incredible wiggle !

The Story:

This is my second visit to Carmen and it was lovely that she was so pleased to see me and she fetched me a nice red wine and everything was so relaxed , and we had a good chat before I just had to give her a long massage and pay dutiful attention to that super bum .Carmen may not kiss but she is sexy and affectionate in every other way , kissing doesn't bother me as long as the warmth is there . I gave her pussy some long drawn out licking and she seemed to genuinely love that before we got into position for one of the hottest mish fucks I can remember and I came gallons while she wrapped her legs around me passionately and squeezed out every last drop . A lovely warm affectionate girl who obviously wants to give you great pleasure for coming to see her and is totally concerned you part fulfilled and happy , would it it all girls were like this !!
