The Premises:

Clean, safe, near the station. Debbie's must be the best place south of the river. Coffee and croissants before; cup of tea and chat afterwards. This service is second to none. Thanks, Jackie. (or is it Jacqui?)

The Lady:

Kelly is a tall brunette in her 30's, with a wicked sexy smile, soft olive skin, terrific natural breasts and large nipples. Oh, and I must not forget to mention her long slim legs with pretty feet and delightful suckable toes!

The Story:

I cannot remember having so much fun with a working girl. The shower, the massage, yes fine. But what is so memorable is Kelly's warmth and spontaneity, her fierce passion: she is a tigress in the bedroom! Thanx Kelly, you've made my day,
