The Premises:

I booked in a hotel in Russell Square, I was after some bareback action and was told that this agency has a few girls that offer this service so I took a shine to this newly arrived babe from Turkey.

The Lady:

Liza is from Turkish Decent and only been here a few weeks. Her English was understandable. I was given the option of 2 girls other one from South America.

Liza came wearing Tight fitted jeans with a shoulderless top revealing her ample breasts and high platform heels.

The Story:

She was a bit nervous, it seemed that I was her first client since arriving in London.

I was told by the agency that she is very open minded and with a bit off help will come through.

She went to the bathroom to get ready and she come out minus her top and jeans just a pair of sexy thongs and her bra and she had applied a fresh coat of lipstick on her lips that got me going still wearing her heels.

I already had my clothes off just my boxers on she sat beside the bed and we kissed then it turned to be heavy kissing where she literly stuck her tongue down my throat and balls of her saliva was being created which was tasty and very minty.

She whipped my cock out and rested her head on lap to give my cock a good car wash and gave me goose pimples just off loading lots off saliva that she had build up in her mouth on the tip of my cock.

I pushed her down pulled her thongs off and dived in her muff, kissing and licking this tottally bald pussy was great and as usuall I like to stick my fingers in and also licked her onion ring.

She made me lie on my bach while she sat on me facing me rubbing her body up and down then teasing her pussy lips on the tip off my cock and all the sudden she landed on my cock and I saw it dissapear in her very moist pussy she was maoning and grunting and then she came off and said its hurting ao I started kissing her body working my way down again and stuck my tongue deep in her slit and then she came and I quickly went into missionery position.

She was more relaxed and asked to go doggy and pumped for a bit in doggy and asked for anal she noddod and I licked it abit to make it wet and slowly inserted in her ass, going bareback in her ass was the best fuck I had an dcame all over her ass hole and pussy.

Second round was more oral and third time came inside her pussy.

I going to try more of their girls who offer full service.

I have visited quite a few in recent months but always been unsuccessful in submitting reports for the box being full.
