The Premises:

Like all other reports for VH the place is superb.

The Lady:

Courtney had longish curly blonde hair. About a size 14 maybe 12 not too sure.

The Story:

First of all she asked me to strip of and lie on this massage table. Started with rubbing my legs then she moved up to playing with my balls. (Which is very nice)

At this point she took off her top to show me her lovely tits. Then she asked me to turn over while she positioned herself over my face.

Courtney then gave me a BJ covered worst luck. Very nice though. That lasted for about 2 - 3 mins then she told me to get up. I got up and she bent over and smacked her arse and said give it to me from behind.

Very poor performance from myself at this point I only lasted about 30 secs before I came.

All in all it was an ok punt but Courtney isn't my sort of girl. I like the look of Rachael, so I hope to pay her a visit soon. But I notice she hasn't got many reports. So if you have been too see Rachael from VH please write a report and let me know how good it is.
