The Premises:

Holiday Inn in Fareham, nice for the price - good room with access to gym/sauna/etc.

The Lady:

Jenny gave a good description of Chloe, and supported it with emailed photographs. She stands at about 5'7", has bleached blonde hair, very pretty, size 8 - 10 (though she admits to needing the gym I thought she was fit enough), about 32C (I'd guess). Her best features are her legs - incredibly firm and muscular and a tight smooth bum. She is fully shaven - again by her own admission she "needs to shave daily" but it looked pretty damn good to me down there.

The Story:

Chloe is very nice - scores highly with me because she is able to hold a decent conversation and takes an interest in what you are saying. She apologised for being no good at massage - but went on to spend an age working my entire body with her hands, and making a great job of it. SAhe is a little reserved, perhaps even shy, and could do with being a little more forward I like a girl who will take a lead and initiate proceedings. Chloe takes time to ask what you want to do next, and obliges. I'm sure in time she will be less coy and more empowered - but for the time being enjoy her naivety. Only one real negative point - she indicated on the phone that OWO was at her discretion depending on personal hygiene - I take a lot of pride in mine (being D&D free and very clean) and had expected uncovered oral. When I asked her to go down on me (asked, not spontaneous) she went for the condom recognising this is her right I didn't press for OWO, but perhaps she should stress this in the initial contact - as I prefer oral uncovered.

I would rate this as being close to GFE but with something missing. She kisses well - so it wasn't that. She is a great communicator - so not that. At times the intimacy was a little 'mechanical' and she did talk frequently about 'other punters'. I didn't ask her not to, maybe that was my error, but she could perhaps make less references to the fact she is getting paid for what she does. I know it is costing me - I'd rather have a great time, without being reminded.

That said she is one of the better girls I have seen in Portsmouth - and she will get better through

experience. Treat her well, be open and let her know what you want and I'm sure you'll have a great time.
