### The Premises:

Very nice very upmarket flat near Lanc Gate . Found Agency to be excellent on all my recent escapades .

### The Lady:

Utterly gorgeous girl in the totally girly way , a perfect almost impossibly perfect slim figure , not a bod which necessarily turns on an old goat like me , but one of such pale skinned perfect shape and beauty , it was like a vision of long lost youthful paradise - and of course I wanted to fuck her like mad !

### The Story:

Friendly delightful girl , I think definitely as young as stated and so physically lovely . She danced for me which was great fun then I massaged her lovely form before tentatively exploring her pussy and bottom with my wicked tongue and she was sweet and responsive , lots of lovely cuddles and playfulness , not kissing strangely enough but her loveliness made me totally forget about that ! Ended in a wonderful mish fuck watching all in some perfectly positioned wardrobe mirrors with her high heeled gorgeous legs wrapped around me , then sweet strokes and gentle play and massages until home time . Lovely girl but be gentle , so new and young and sweet !
