The Story:

On impulse late on a Monday night was in town had this agency's no on me and had seen Scarlets page earlier in the day so thought I'd give it a go. Agency very helpful by the way so no problems there. Scarlet greeted me wearing a very smart outfit but you could tell there was some horny lingerie underneath and low and behold there was. It has to be said that her English is limited at the moment so don't expect loads of conversation but this girl is just so sweet and nice that in a strange way silence is golden. In the bedroom I experienced an intimate GFE vibe that was just heaven. There is a very sexy cute innocence about Scarlet that is wonderful. Treat her well please as she deserves it and I will be returning again (and again).
