The Premises:

Nothing great, clean flat, I get the feeling she did not live here.

The Lady:

It is the lady on the site. I think she is in her late twenties or early thirty something. Did not matter as she looked very sexy.

The Story:

The cash sorted and out the way. started with some mutual kissing and fondling then quickly out her clothes. On the bed I let her take control, she kissed and groped me all over. Great O', then into several positions. Came on her tits. very tasty.
