The Story:

I have never even got undressed here and would not dream of sitting down. I just arrive, pay my ?20, drop my trousers and get what has to be one of the best blowjobs ever. She sucks, licks, slurps pure heaven. Instinctively knows when to be gentle a she gets last few drops from you. Just the right amount of gentle massaging arround your balls. Wonderful 10/10

She is very addictive and if quick relief or blowjobs are your thing, then she is the best.
