Sold as Greek - her father is, tall and quite striking to look at, early 20's with the most fantastic firm and gravity defying big tits.

The Story:

What a crap fuck - lousy disinterested massage, poor chat - brief fuck from behind the I wanked off with lillte hep from Charlie - one of the worst experiences in a near 20 years of frequent punting. A shame, because the last time I came here I saw a delightful little blonde (works in an estate agents) wonderful service, excellent and willing A levels - good hard arse pounding and come over her tits.
