### The Premises:

usual standards, however i missed the boat by 10 mins as im usually first in the door and all the girls were taken except shannon

### The Lady:

slim 20 ish brunette with average breasts and nice and freindly.

### The Story:

unfortunately ive been with shannon before and she was the only one left ,was not prepared to sit about waiting so here we go.started of with massage and then she decided i was to give her one.this must have turned her on as my fingers slipped in her pussy so easily.i gave her some oral which she did enjoy and kept at this for about 10 mins .entered my little finger up her ass while doing this and got a positive response so gave her more than she bargained for.by this time i was wanting some oral in return which she did bareback whilst i was fingering her from the rear.shot my load however she pulled away and it went over her hair and face.aww i thought she would have finished me in her mouth.average punt but fancy a we change of premises now
