The Premises:

basement flat right next to canal. very quiet and peaceful. small bedroom with large soft bed. says she shares with 2 flatmates. very safe to visit once you find it.

The Lady:

absolute stunner! my ideal brazilian chick. beautiful face and long golden hair. skin is tanned to perfection with a bum that i have been looking for all my life. enhanced titties but who cares. 10 times better than the pics.

The Story:

good punt with a lovely girl. 1st time just had to take her doggy all passion an a little foreplay. she she was screaming into the pillow and cum dripped from her pussy.

2nd time she gave an average massage but kissed my neck and back up and down till she flipped me over and with condom rubbed my cock against her pussy teasing both herself and me. then we had sex in mish, her on top, on top in reverse and doggy again. she seriously came 2 times. the sex was so hot!

on a downer she does not like reverse oral and does not do owo which is cool with me but others might want this. a must see lady!
