### The Story:

Pru is sensational. I arrived with great expectations and left knowing that I had only sampled a fraction of her amazing repertoire. Pru is a lady for all seasons, a lady to step into your fantasy and make it real. The great thing about her is that she puts you at ease in an instant, making it as simple to drop your inhibitions as it is to drop your pants. Whatever you want, just ask. The answer maybe no (quite unlikely!) but at least you will be told honestly and with good humour. This is a lady to enjoy and above all to have fun with.

Pru answered the door in nothing more than a white negligee and, like Noah, all I could notice were what came in twos: two lovely brown eyes, two full lips that chatted as if we were old friends and two breasts that heaved and swung naked under the silky white fabric. Pru's breasts should be listed. They are fabulous creations which have a life of their own. Her nipples are fantastically large and love to be sucked, stroked, chewed? I could happily have spent the hour just giving them my attention, but go a little higher and those full lips embraced mine in deeply passionate kissing and go a little lower and you feast upon a pussy of delicious sweetness, moist and inviting. Exploring Pru's body is like taking a tour of a great gallery: every part is full of the riches you expect and full of pleasures which surprise. From every angle you find new things you want to move closer to and taste and ultimately dive inside. Once you've entered Pru ? and she fucks fabulously - you won't feel the same. You'll feel fulfilled, enriched and hungry for more. My advice? Stay overnight.
