Kinky Kerry: over six foot, very slim, small boobs, long hair, 20 years old

The Story:

Kerry and Carly were experienced party veterans. It was one of Paula's first parties so she was a bit shy at the start. That turned out to be a stroke of luck for me. I was sitting on a chair by the side of the bed in the larger room watching a group of guys buzzing around Kerry when I noticed Paula. I caught her eye and she came over and straddled me sitting on my lap and rubbing up against me so sexily that I sprang to attention in seconds. After some expert oral, Paula slipped a condom on me, turned around and lowered herself on to me and treated me to the sight and feel of her gorgeous arse going up and down as I slipped inside her soft wet fanny. If only I could have lasted longer but that was a truly memorable tryst.

I had the pleasure of Kerry ? she is a very up for it lady who can't get enough. To be honest not really my type. A bit too skinny and a bit too young. Also she has done some porno film work and was just a bit too full of herself as a porn star.

Carly on the other hand is a real party girl. She likes nothing better than to service several guys at once. I had a fabulous doggy shag while she was expertly blowing another happy guy. Later on she demanded and received a bukkake shower.

What a very enjoyable afternoon. Great value for money. Try it you'll like it.
