The Story:

It was a hot day and had to ring up and find out details of the new girl who was working. Met Nina in the waiting room before we went to the bedroom. Nina helped me out of my clothes before I undressed her, as it was a hot day, I just had to have the assisted shower, Nina and I washed all of each others bits and she certainly didn't rush. Nina insisted on drying me after the shower before we went back to the bedroom.

In the bedroom Nina gave me an excellent massage paying a lot of attention to the area between my legs, after a long while she told me to turn over and continued to play with the important parts whilst kissing and biting my nipples.

Moved on the the oral (covered as always) which was great, before she decided she would have to go on top, great fun whilst I could play with her tits. Asked her to swap position and it was my turn to go on top, finished in this position.

Was offered another shower before leaving, well it was a hot day!.
