The Premises:

Situated on a busy main rd. not very discreet but the parlour is clean and in a safe area.

The Lady:

medium height with a nice body and lovely arse, wearing see through baby doll nightie.

The Story:

Got to be the worst punt I've had in Manchester, no conversation in the girl, never smiled once, blow job covered (not too bad) then tried to have sex with her in the mish but for some reason she wouldn't let go of my knob. Didn't come gave her the 35 quid she never said a word as I got dressed. Used to like this parlour but if this is a typical example of the girls working there give it a miss.
