The Story:

3rd visit to Jan, and as always just as good as the 1st. Started off with lots and lots of french kissing before she removed my clothes and stroked my hard on. Spent a lot of time giving Oral to Jan which she seemed to love, her pussy getting soaking wet, She returned the favor for me and must have spent 30 mins on a fantastic blow job, She then made herself come again with a toy before putting a condom on me and rideing me until I shot my load.Plenty of time afterwards for a nice chat - she has a lovely personality.Treat this lady well.
