### The Story:

I visited Indian Palace last month after a days shopping. I've been a couple times before & the women have always been beautiful. I like to have an indian now & again :) It was my first time with Savita & she just knocked me out. Man, she is gorgeous! Lovely eyes, very polite, cute personality. Great figure. I had a shower when I got there, as it had been a hot day. I think she appreciated that. The hour didn't feel rushed at all. She treated me well & the sex was excellent. However, there was not too much kissing allowed, but that didn't put me off at all. Not a GFE, but a great girl to unwind with at the end of a busy day.
