### The Story:

I have been seeing girls on and off for years now some good some not so good and i never bothererd doing a report but my first visit to see Jan and i felt i had to record it.

I don't feel i need to record the details but previous reports are all true if not in some cases under stated.

This wonderful lass gave me the full girlfriend experiance and everything that happend in the full hour i was there was mind blowing and i look forward to seeing her again very soon.
