The Story:

I saw her about 4 months ago, so as I knew who I was looking for we met in the hotel bar, she looked stunning, wearing a sexy black dress. Quickly went up to my room. started off with some owo, then I returned the favour and she started to get really into it. Then she jumped on top. After I rest we got down to it again and fucked her doggie style.

Never had 2 hours go by so quick.
