Basement flat very close to Anerely Station. As mentioned before, it has a very discreet entrance at the back. The flat itself is comfortable and secure. The main bedroom is sexy in itself with a large bed and the side wall covered with a large mirror.

Kelly is just as the Website pictures show - quite tall leggy with wonderfully large but firm breasts.

The Story:

This was my third visit to Debbies, on the previous visits I saw Debbie herself. As Debbie's girls all look very attractive on the website it was a difficult choice to make, but with a free day on a Wednesday I decided to visit Kelly. Debbie was on holiday, so Kelly was acting as the maid as well as seeing punters. After I sat on the bed she asked whether I wanted to see a video, but with Kelly standing close this was hardly necessary!. After a nice cuddle during which I felt those boobs pressing against my chest, we moved to the shower. It was amazing just how erotic this was. The warm water and shampoo suds cascading over our bodies looked in a tight embrace. I found it necessary to think of non sexy matters like the contents of the in-tray at work to stop myself coming there and then. After the shower we moved back to the bedroom where Kelly gave me a massage. This was well done with soft touches in all the right places. The BJ was covered, but was so good that I was hardly aware that I was wearing a condom. The sex was wild and orgiastic. Kelly rode me with vehement passion. Several things remain in the memory - Kelly's boobs bouncing uncontrollably, the sight of her brown hair dangling down half covering her pretty face contorted with pleasure, the sound of the bedboard banging violently against the wall like a shed door in a winter gale. She actually let me come on her boobs which surprised me as I did not think that this was allowed at Debbies. After a smoke in the lounge, I left to fall asleep in the train.
