The Premises:

V.H. - Victoria house or Virtual Heaven: it's all been said before - Simply the best!

Just a word for the reception staff, who have got it 100% right - if you enter a "little shy" (which I don't) these Ladies will have you at ease within mins.

The Lady:

Sex-on-Legs; very nice legs they are to. Blonde silky hair, perfect 34-22-34, educated, very good looking lady.

Black "clubbing" dress, white bra, black stockings suspender & G-string set.

The Story:

Went for the VIP room, well worth the extra.

Melanie came into the room, looked up & smiled. At that very moment I knew this was going to be good! What I did not know, was how good!!

Following a short but enjoyable massage, with Melonie still fully dressed & my hands being allowed to explore beneath that dress. This sexy creature began a pole dance, looking me straight in the eye as she slowly undressed between such "horny" moves.

The effect that this had on me was very clear to see.

A total master at the "art" of oral, an incredible all round GFE, sex in two positions, finished with a visual experience & an expert hand job - all over her sweet boobs.

This Lady has turned her job into an art form - you would be mad not to experience Melonie, just once in your life.

A friendly chat, cleaned up & into the shower, not a hint of being rushed, a true professional.

Saturday is not her normal working day, unless I misunderstood her, Melonie's normal working day

is Wednesday & one other; now Wednesday is also Nakkita's day--What a mind-blowing thought-the two of them together - saving up for that, if you get there first -lets all hear about it?
