The Premises:

Clean, comfortable and friendly place, very relaxed. Discreet entrance, you can't see it from the road.

The Lady:

Abbey is about 5'3" very petite and I believed her when she told me she was 19. She has lovely long brown hair and blue eyes. When I saw her she was wearing a pretty blue dress which only added to her 'innocent' appeal!

The Story:

Offered a massage but I wanted to get straight into it. Abbey doesn't do any extras like OWO or CIM, but after five minutes of her lovely little body writhing all over mine I could tell that wouldn't be a problem. She has a very gentle touch and was soon playing with my cock like it was a new toy! On went the rubber and she practically swallowed my cock whole - it's amazing what she could get into that tiny little mouth! Gave me a heavenly bj which lasted around 5 mins, then she climbed on top of me and rode me until I came. Will definately be coming back for more, cheers Abbey!
