The Lady:

Classy black woman
Mid to late 20's
Nice long hair and cute face
More a glamour than a model figure

The Story:

I felt i was enjoying genuine attention and not just going through the motions
A massage and then she asked me to massage her which was fun
She hit the right balance between firendly and over -chatty
Oral was superb and then we fucked in various positions
I thought I was shagged out after round one but she perked me up for a rousing end to the hour!
All in all a most satisfactory punt
