The Premises:

Safe, well appointed flat on an anonymous new estate. Parking in large lay-by opposite. Praise for Judy's booking system. The phone is always answered promptly and pleasantly, and clear directions given to the girl's individual flats which are in different parts of town.

The Lady:

Appearance exactly as shown on the web-site pics, though they don't show Amie's outstanding nipples.

The Story:

A great session with an enthusiastic, intelligent and inventive lover.

Amie's 'unique selling point' is that she has incredible nipples which she likes to have pulled really hard. She also likes to have her breasts squeezed and her nipples sucked and appreciates a guy being as enthusiastic as he likes with them, short of actually biting. For me this was a unique experience; most girls ask you to back off if you get too enthusiastic whereas Amie had to encourage me to go further.

Amie is also a passionate French kisser and gives a good back massage (Tho not at the same time of course!). In 90 mins we did lots of other stuff, ending with a relaxed chat & cuddle.

Such a pity that she only works week-day days, which is exactly the same time that I too am at work ;-(
