The Story:

Answered the door in a great sexy black cocktail dress and put me at ease straight away (important since it was my first punt). Talked for a while, got me drink. We soon started to kiss quite passionately and started to remove each others clothes. Se got down and her kness and started to give me an incredible blow job (OWO). We progressed onto the bed where i lay her on her back on the edge on the bed and popped my cock back into her mouth. At this point i had to fuck her doggy style - i didn't last long. Finished with a shower. Thanks Linzi.
