The Premises:

Lovely big executive apartment in a great part of town. Felt totally secure.

The Lady:

Mid-30s, busty, blond, curves in the right places; attractive all-round by my god those eyes ...

The Story:

Cat read me like a book the moment I walked in and got it spot on throughout my stay. She looked after me and what I wanted / needed as though she were someone who cared about me very very deeply. This was a sensational experience and exactly what I needed. I?m comparatively inexperienced sexually, and I?d made it clear that I hoped to gain experience and actually learn something about pleasuring the fairer sex, as much as simply to extract pleasure.

Specifics are unimportant but suffice it to say that she satisfied me totally. This was not about physical sex, particularly, but about everything else that?s so great about this lady ? her looks, obviously (in particular those eyes), her sense of humour, down-to-earth nature, kindness, real desire to please, and to teach (as I?d wanted), not to mention her sensual and incredibly sexual aura.

Quite a while spent in the living room discussing stuff before starting, which she did not include as part of the paid time. The main event went on beyond time too, then a very relaxed chat in kitchen before departure.

I?m not na?ve enough to think this was a mindblowing experience for her too, or stupid enough to imagine I was buying more than in fact I was and lose my head over such an experience, but I left feeling like I?d actually bonded with someone with whom I was very sexually compatible. I could be a total sucker but if it was an act it was a bloody convincing one, and one that did me no end of good. I have little basis for comparison but I?d guess that this is as close to a GFE as you?re going to get. I left feeling that the needs of every organ in my body had been met. I just hope she derived some genuine pleasure too.

Here?s a lady who really does enjoy what she does. A sexy, sensual, pleasant, kind, caring and

genuinely worthwhile human being. This is the kind of person I would love to have as a friend.
