Scorpio - well reported etc.

The Lady:

Shannon is early 20's with long dark hair, slim figure, nice legs and a 34B/C chest. One or two tattoos, tongue stud and a pierced clit. She's pretty - Sandra Bullock was mentioned in another report (self penned?!) and that's close enough.

The Story:

Went in looking for a session with the redoubtable Trisha but she was busy. Others that I can remember were Charmaine (blonde, boots etc), Cameron (skinny long brown hair) and Carmen (Brazilian looking). Sat next to Shannon and she seemed cheeky and cute, so I picked her.

She's quite a good laugh and has a great body. Gives an cracking massage - almost painful, which is the way I like it. Good oral - knows which buttons to press. I went down on her but I never know how to deal with a clit ring so I kind of lost interest, as I think did she.

Bit more oral then on with the condom. I came ridiculously early in the mish position. I'd asked her to bit my nipples and that always pops my friggin cork...

In for a quick soak in the tub and offsky. Didn't fill the 45 mins but it was a good, standard punt.
