### The Premises:

Very smart place between Oxf St and Marylebone , lovely upmarket area , very safe and private .  
Flat very swish , but I felt Cat probably doesn't live there , still ,I wasn't there as an estate agent !

### The Lady:

Must agree with bicstic's recent review , Cat is physically gorgeous ,petite but very curvy , beautiful soft skin , wonderful perfect bum .She is not conventionally 'pretty ' but looks younger than her pics suggest and I found her very horny .She was dressed in a clinging black dress and high heels , immaculate appearance , making the effort to turn you on .

### The Story:

We started with a slow undressing which was very sensuous and I volunteered my usual massage for her which always seems to surprise the girls but it's a routine for me , I love doing it and it shows you care a bit and is good if there is a bit of a language gap . Cat was very quiet but she is very new to London , I think she understands English perfectly well though , and it gave me every opportunity to caress and worship her fabulous perfect arse ! After lots of caresses and cuddles she dealt me an amazing bbbj which she kept in and deposited very sweetly and discreetly in a little sink in the room , which quite touched me , she sort of wanted me to feel I had completely given it to her ! Then quite amazingly for me she managed after about 20 mins to get me rock solid again and we fucked noisily away in mish but my juice was all gone ! Never mind , she is a very sensuous and attentive girl and turned me on no end , very professional perhaps but totally committed to your pleasure , you will have no probs enjoying sex with this little minx !
