Picture is accurate - slimm, attractice dark blonde girl. She probably really is 19!!

The Story:

Having read a recent negative report on Jennifer I was moved to write this one - I had been planning to keep her quiet!!

She arrived a little late but we quickly settled down to a pleasant chat & getting to know you. I then leant across and we kissed, quickly developing into a passionate snog.

It was a great GFE, as I like it. She kisses very well and foreplay was fantastic. Sex was good, she gave every appearance of enjoying it & certainly seemed up for more than I gave her. She became naturally very wet and I really enjoyed out time together.

She is slim, so if you like the fuller figure she isn't for you. But if you enjoy the GFE with an attractive, friendly 19 yr old she's definitely worth visiting!!
