The Story:

My second party.I loved the last one so I had to come back for more!!Starts with great lesbian action.Very sexy.I started licking and playing with katie.She just loves it.She was so enthusiastic!She sucked me and I came quickly in her mouth.

Luckily I took viagra this time.After a short break and chat I joined in with sable doing DP.I got really hard again really quick and Caitlyn took me upstairs and rode me.I came again over her tits.

I think that finished me off really.

Jessica and sable both tried to make me cum again.They even shared my cock at one point!theres is probably loads I've not written about but the afternoon is like blurr of mad sex action for me!

great party again, thanks girls!
