The Story:

After a drink and a chat we sttled up the paperwork and moved to the bedroom.After kissing and cuddling whilst undressing each other Rachel proceeded to provide an aromatherapy massage which was very relaxing before she turned me over and started to perform an erotic massage all over. after some time st this Rachel proceeded to perform moral but put the mack on with her mouth first in a most unusual technique. Thereafter we performed 69 for some time before Rachel mounted me cowgirl style and what followed was slow, sensual and extremely erotic. After some time in this position we changed to doggy,before finally finishing with a superb bout of "A".Thanks Rachel for a great time
