The Premises:

Basement flat just next to the hospital. There are two basement flats and initially I had to wait a couple of minutes at the top as there was someone outside the other one!

The flat is nice and clean with a good bathroom. The bedroom is a little dark with only a candle and no light.

The Lady:

Gabriela is so much better looking in the flesh! The pictures of her make her look older than she actually is. She is very well toned and has beautiful long legs. She has a large tattoo on her left shoulder but that is hidden on her pictures. She really is one of the best looking girls around by a shot.

The Story:

We had a drink and got the money out of the way. There was a nice massage followed by oral (covered by my request but she will do OWO). She does not do CIM/ facial so I came on her tits. Next was some general talking. Gabriela is Brazilian and has just come from Spain. She loves football and dancing. She played with a dildo for a while. She does not do anal but let did let me softly stoke her. Onto sex which was fantastic.

Overall, an excellent punt!
