### The Premises:

Very small flat right by London Bridge station. Nothing special but wasn't scruffy in anyway.

### The Lady:

'Chunkier' than pictures - bit disappointed really.

### The Story:

The website said shes a great kisser - so must have been an off day as there wasn't any - just a simple soft peck.

BBJ with rubber - nothing special, let me finger her is about it. Moved on to a 69 and then mish.

Popped on the half an hour and mentioned I'll do better in round two. She said there was't a round 2! Wanted more money!

So after quick chat and being thoroughly disappointed, left.

Usually see asian girls but thought I try a EE - hope this isn't representative of the experience.

Guess I should have held back as as there wasn;t any field reports - but then someone has to post one.
